

AHS BATH/SHOWER CARD ORDER FORM

BATH/SHOWER THERMOMETER

Instructions for Use: Hold the Bath/Shower Thermometer Card in the bath/shower water for 10 seconds. A picture on the black strip on the front of the card will show the temperature of the water. The "OK" picture must show to go on with the bath/shower.

If this card is bent, damaged or the colors are faded, do not use it.

Store out of direct sunlight in a dark, cool place.

Manufactured May 2025.

Product #25220
